

# A Ham Radio Class is Forming Now!

The Greer Amateur Radio Club will be holding a ten week course, where you can learn everything you need in order to earn your Technician Class FCC **Amateur Radio License**. This is a beginning class – you need not have experience – just a desire to learn!

**The Technician Class license is your gateway to the world of VHF – UHF communications and to learn about long distance HF Amateur Radio ...**

**Classes begin on  
January 11, 2017, 6:30PM  
at the Victor Park Gym Classroom  
108 South Line Street  
Greer, SC 29651**

*Registration is requested.*
